Who the course is for

GP specialty trainees in the UK.

What you will study

AKT question practice and SCA consultation rehearsal.

- AKT: clinical knowledge for general practice
- AKT: evidence-based practice and data interpretation
- AKT: organisation and management in primary care
- SCA: structuring a consultation in the time allowed
- SCA: simulated consultations with feedback

What your course includes

- **Live online classes**
  Every class is taught live by your tutor, with interactive sessions where you ask questions as you go.
- **Recordings for 6 months**
  Missed a class on a night shift? Every session is recorded and stays available to you for six months.
- **PDF notes from your tutor**
  Your tutor shares PDF notes for the course, so you revise from the same material you were taught.
- **MCQ solving together**
  Your tutor works through exam-style questions with you and explains the reasoning behind each answer.
- **Free mock exams**
  Mock exams in the format of your exam are included in your course at no extra cost.
- **One-to-one classes**
  Prefer to study alone with a tutor? One-to-one classes are available for every course on request.

The green signal

Booking an exam too early is expensive. Your tutor follows your mock results and your work in class, and gives you the green signal when you are ready to book. The green signal is your tutor's honest judgement of your readiness. It is not a guarantee of a pass.

Common questions

What is the SCA?
The Simulated Consultation Assessment tests your consultation skills in simulated patient consultations.

Is MRCGP open to doctors outside UK GP training?
The AKT and SCA are taken during UK GP specialty training, alongside workplace-based assessment.
